

Skylar Wu – Sales Assistant

Global GreenTag International & Australia & New Zealand

Skylar graduated from the University of Queensland with a bachelor's degree in Hospitality, Tourism and Event management and a master's degree in Educational Studies.

Passionate about sustainability and following an eco-friendly career, Skylar is bilingual, fluent in English and Mandarin, enabling her to effectively communicate and liaise with our agents and clients in Mainland China.

Skylar has previous experience in sales positions in customer service, customer relationship management and in the collection of customer feedback, where she has consistently achieved positive results and surpassed performance targets.

Skylar's primary role with Global GreenTag International is serving as the company's Australia & New Zealand sales agent. She liaises with existing clients, managing product certification, renewal and recertification sales enquiries.

Skylar is also responsible for providing business development support for our agents in Mainland China.
